BOARD MEETINGS

August 10th - 5pm - Location TBD

President Simpson, Vice President Stewart, Treasurer Moore and Secretary Simpson are up for re-election in the fall! If you would like to bump one of us out of office please send us an email so that the community of paid civic association members can vote you into office. If you want to keep the current dream team in office, drop us an email and let us know that too!

**Please join us at the next HCA community meeting on
September 14th - 9am!**

Topics of Discussions:

Increase Dues to \$200

**Add new ways to pay Dues including monthly
Fundraising Ideas**

HCA dues are DUE!

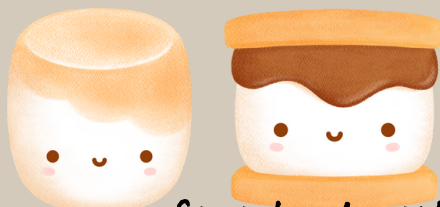

**THIS IS YOUR REMINDER TO CLEAN OUT YOUR POCKETS.
\$150 HCA DUES - DUE JUNE 1ST.**

There are so many benefits to being a paid HCA member and having a voice in our community! Through the generous donations of your time, energy and sometimes your equipment; Hazelmoor continues to be the pristine jewel on Grove Neck and a fine example for all Cecil County. To continue in earnest, we need your monetary support as well! Maintenance of the boat ramp, bulkhead, drainage system, picnic area, tables, swim raft and lines as well as renewal of our liability insurance are all items that are addressed through civic association dues. Make no doubt about it. The funds are used to their utmost potential. Remember our liability insurance covers only members in good standing. According to our constitution and bylaws, members in good standing are those property owners who have paid their dues. BE apart of the action don't be left out!! Join and support one of the most active civic associations anywhere, you'll be glad you did!!!

Hazelmoor's Burn Permit

The burn permit for the civic association has been renewed. This permit authorizes the association to burn driftwood at the center of the community beach ONLY. This is not a permit that sanctions burning by individual households in Hazelmoor.

Important Note - when you are finished with your bonfire, please make sure the fire is completely out before leaving the beach. At no time should the bonfire be left unattended.

Summer Reminder

Attention full time neighbors, part time neighbors and guest of neighbors. The weather is warmer, the streets will soon be busier with wheels and feet, and late night good times with neighbors who have become family. Please remember and remind your guest about jet skis, boats, and swimming. Please use your jet skis and boats out in open water away from the swim area. The tower is a good focal point on where the no wake zone ends. The NO wake zone begins as soon as your watercraft is off the trailer.

Remember to have all equipment in good working order as well as enough life preservers for everyone on your craft. Those young and (not so young, but young and heart) bathers that use the raft should be cautious against diving from the raft.

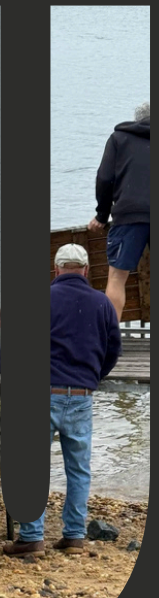

Another Summer Reminder

The woods along Hazelmoor Drive, Driftway and spooky way and as well the docks along the beach are private property! Please respect the signs and our neighbors homes and do not trespass. Hazelmoor is a private community and our beach is a private community beach. Let's keep it respectful and have a great summer!

Thank you to all who have lent a helping hand, their driveway, tools and equipment

HAZELMOOR'S
